Dear Donal

I am delighted to inform you that your company has been awarded the Catalyst Team Safety Award for the period March to April 2009. This award is nominated by Alan Vaux, Operations Director for the Catalyst Team, and is in recognition of your company's exceptional attitude towards health and safety. Your works at South Acton were completed earlier than your contracted programme and in a very safe manner.

I would also like to add my congratulations in this instance and remind you that this award also ensures that your company gains 15 points on our 'Measuring Subcontractors Safety' League Table.

Well done and keep up the good work!

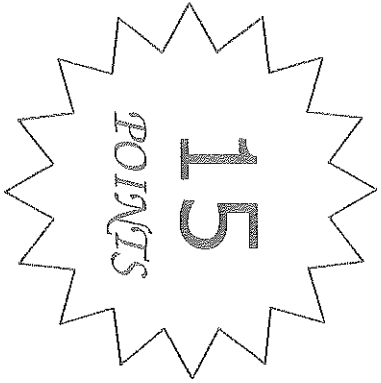

Yours sincerely

DOMINIC JANKOWSKI MCIOSB
