

# DUFFY GROUP LTD

## QUALITY POLICY STATEMENT

### 2020-21

The policy of Duffy Group Ltd is to provide a building and civil engineering service, which

- Achieves a high level of client satisfaction
- Conforms with contractual specifications and requirements
- Achieves required standards of workmanship
- Meets project financial budgets
- Meets agreed contract programmes

All personnel within the company are individually responsible for the standard of their work. To achieve this, all key activities within Duffy Group Ltd are covered by the Quality Management System as detailed in our Quality Assurance Manual and supporting documentation. The system documentation includes Procedures, Quality Plans, Method Statements and Objectives and Improvements Schedule. Our objective is to continuously improve in performance, quality of work and service.
